Resolution.—Recorded.

XII. Read letter dated 14th May 1906, from the Honorary Secretary, South Mysore Planters' Association, forwarding an emphatic protest against the new toll-gate at Dudda, for reasons mentioned in the letter.

(*b*) Read letter dated the 22nd July 1906, from Mr. W. L. Crawford, stating that he has been requested by the South Mysore Planters' Association, to place the subject of reducing the rates of toll on the Hassan-Arsikere road, so that they may be the same as those at the Belur bridge toll-gate.

Resolution.—Resolved that the Board, being of opinion for reasons represented, that the toll rates of Rs. 2 and 1 for four-wheeled and two-wheeled carriages, respectively, appear too high and that a reference be made to Government for reduction of these two rates to eight annas and four annas, respectively, with provision for levying only half of those rates, when such carriages are unladen, since such lower rates only are levied at the Hole-Narsipur and Belur bridges toll-gates.

XIII. Read correspondence ending with the Senior Assistant Commissioner's docket No. 105, dated 22nd July 1906, in the matter of the sale of the inspection lodge at Arehalli, to Mr. Habibulla Sab, who has promised to convert the same into a charitable musafirkhana.

XIV. (1) Read Subject No. X of the District Board Proceedings dated 12th May 1906, in the matter of constitution of villages into Unions.

XVI. Read docket No. 6537, dated 16—17th May 1906, from the Senior Surgeon and Sanitary Commissioner in Mysore, forwarding a copy of the Hassan District Deputy Commissioner's remarks made in the Visitors' Book of the Saklespur Dispensary, with the remarks of the Senior Surgeon thereon, in the matter of increasing dieting charges for the dispensary.

Resolution.—Resolved that the Board fully recognise the real necessity for increasing the dieting charges at the Saklespur Dispensary to Rs. 10 per mensem and that it be suggested to the Senior Surgeon that the extra cost be met from the savings annually accruing under this head owing to a circular order, which, it is believed, directs that the monthly expenditure at each other dispensary should be restricted to Rs. 3 instead of Rs. 5 per mensem, except in very urgent cases.

XVII. (1) Read Executive Engineer's docket No. 149, dated 19—23rd May 1906, forwarding a statement of dispensary buildings requiring repairs during the year.

(2) Read Executive Engineer's docket No. 463, dated 1st August 1906, in the matter of tiling or slabbing the floors of certain dispensaries in the district.

Resolution.—Resolved that as a provision of Rs. 580 only could be made under this head in the District Fund budget for 1906-07, it will be possible to undertake repairs and improvements of dispensary buildings only to that extent during the year.

XVIII. Read Executive Engineer's docket No. 164 dated 1—2nd June 1906, requesting a reply as to whether the District Board can afford to pay Rs. 2,000 towards the cost of constructing a bridge over the weir of Kalasinkere tank, Belur Taluk.

XIX. Read Executive Engineer's dockets Nos. 178 and 181, dated 7–13th and 13—14th June 1906, respectively, forwarding estimates amounting to Rs. 122 in all, for providing monsoon tatties to certain 3rd class travellers' bungalows in the Manjarabad and Belur Taluks during 1906-07.

XX. Read Executive Engineer's docket No 447, dated 17th—21st July 1906, requesting the transfer of Rs. 204 being the pay of watchmen of certain Inspection Lodges to A. Public Works.

XXI. Read Executive Engineer's docket No. 464, dated 16th July—1st August 1906, forwarding for countersignature an estimate amounting to Rs. 1,000 for providing new dug-out boats to certain ferries in the district.

Resolution.—Resolved that the estimate be countersigned and returned with the intimation to the Executive Engineer that the cost may be met out of Rs. 1,140 under (A) Public Works, "I Original Works, Reserve" in the current year's District Fund Budget already placed at his disposal.

XXII. Read correspondence ending with Arkalgud Taluk Amildar's report No. 12—61, dated 5th July 1906, submitting the resolutions of the Arkalgud Taluk Board and the Municipal Board in the matter of the construction of an in-patient's ward to the Local Fund Dispensary at Arkalgud.

Resolution.—Resolved that as there is no provision in this year's District Fund Budget to provide the District Fund quota of Rs. 1,035, the records may be returned to the Amildar for encouraging a higher offer from Ramasami Chetty and other well-to-do persons of Arkalgud.

XXIII. (1) Read the list of District Fund incomplete works under (A) Public Works for the year 1905-06.

Resolution.—Resolved that as there is already a sante at Bagur, the necessity for another sante so close as at Kundur (*viz.*, only three miles distant), is not made out, and as there are no houses, or, other buildings at Chamarajendrapura (which is only two miles from Bagur), it does not appear necessary to have a sante there.

XXVII. Read Treasury Assistant Commissioner's yadi No. 36—135, dated 9th July 1906, submitting the report of the Alur Deputy Amildar, together with the resolution of the Alur Taluk Board, recommending the sanction of the revised estimate for Rs. 403 (original estimate

Resolution.—Resolved that as Rs. 200 only has been provided for this work in the current year's budget and that the provision of Rs. 100 proposed to be appropriated from the provision for improving the Gangur well deferred, a total amount of Rs. 300 is available. Hence the estimate has to be returned for reduction to that amount.

XXIX. Read Subject No. XVIII of the District Board Proceedings dated 12th May 1906, in the matter of starting an Industrial and Agricultural Association at District Head-quarters, etc.
